Notice on the use of cookies

When you visit one of the websites owned by The Barden Corporation (UK) Ltd. information will be stored on your terminal device in the form of a so-called "cookie". Cookies are small text files which enable analysis of the use of the website, record settings and data in your browser, as well as allow customizing website to your interests and displaying interest-based advertising on other websites. We do not collect any personal data by means of cookies unless you have expressly given us your consent to do so.

1. Types of cookies

Depending on their function and purpose, cookies can be divided into two categories: technically necessary cookies and optional cookies. There may also be so-called first-party cookies, which are cookies that we place as the operator of the website, and so-called third-party cookies, which are placed by a domain other than ours. In principle, any cookie can be removed by deleting the browser cache, thereby immediately losing its validity.

Below you will find a list of all cookies that can be used on our websites as well as further information about their purpose, period of validity and type.

Technically necessary cookies

Technically necessary cookies are required so that you can navigate through our websites and operate the basic functions of our websites. Without these cookies, the use of the website may be limited.

Name	Purpose	Period of validity	Type
C2bardenbearings2018_Session	Counts the number of sessions and assigns an anonymous identifier to each visitor.	6 months	First-party cookie

2. Managing cookies

You can object to the use of cookies so that no cookies will be placed on your terminal device. This can be done, for example, by a corresponding setting in your Internet browser. However, we would like to point out that in this case you may not be able to use all functions of this website to the full extent.

If you want to deactivate individual cookies or services on our website, you will find the necessary information about the respective services in section 1 of this Cookie Policy.

Below we have put together links that provide detailed information about disabling cookies in common browsers:

-Internet Explorer <https://support.microsoft.com/help/17442/windows-internet-explorer-deletemanage-cookies>

-Mozilla Firefox <https://support.mozilla.org/en-US/kb/delete-cookies-remove-info-websites-stored>

-Google Chrome <https://support.google.com/accounts/answer/61416>

-Safari <https://support.apple.com/kb/PH21411>

We would also like to draw your attention to the deactivation page of the Network Advertising Initiative (http://www.networkadvertising.org/managing/opt_out.asp) and the deactivation page of the Digital Advertising Alliance (<http://www.aboutads.info/choices>).
